Sportsground "Hasenburg"

Dear Referees,

come and join us at the 14th International Referee-Cup of SV Eintracht Lueneburg!
Following the success between 1985 and 2017, it is our pleasure to once again organise this huge event, so that we can all spend some enjoyable hours with many of our colleagues.

In addition to the sporty and fair contest, we aim to encourage communication and the exchange of ideas between colleagues near and far, whether FIFA or County Class Referee.

The referees of the SV Eintracht Lueneburg would be very pleased to welcome new faces amongst our friends and "regulars" and we will ensure that the tournament week-end is enjoyed by all and becomes a great event to remember.

As it is the end of the season, attending the tournament may also be an ideal opportunity for the referee groups to extend their time here and take a holiday in our beautiful region. We are more than happy to help you plan a tourism program for you.
Come to Lueneburg - it's worth it!
